Please Read Carefully and Initial _____

Escrow Funds are designated to assist purchasers of lots not supplied with electrical service with the cost of the installation of electrical service. The Association has limited funds for the installation of electrical lines and such funds will be provided on a first come, first served basis. The reimbursement is limited to \$2000.00 per building site.

Applicants must be lot owners who:

1. Intend to build a dwelling unit on their lot(s)
2. Have obtained all necessary governmental building permits for such construction
3. Have contracted with Consumers Power for the installation of electrical service
4. Have obtained EPC approval for construction of the dwelling unit
5. Have commenced such construction to a state as the EPC shall require at its sole discretion
6. Are members in good standing of the Association, and are not a litigant of co-litigant in any legal action against the Association, its Board, or the EPC

ALL INFORMATION BELOW IS REQUIRED BEFORE THE WHITE BIRCH LAKES ENVIRONMENTAL PROTECTION COMMITTEE WILL CONSIDER THIS APPLICATION.
